Thank you for taking the time to look at our latest brochure. The products we display in this brochure are just a cross section to give you the customer an idea of the type of products we manufacturer.

We make everything to customer specification and will be more than happy to make you up a prototype to suit your individual product.

I Look forward to hearing from you.

Bosco O'Farrell
Sales Director

120 Ind, Est, Ashbourne, Co. Meath, Ireland.
